The Ocean City Tennis Centers' USPTA Tennis Professional and his staff at the Ocean City Tennis Center on 61st Street & the Bay will conduct camps. The staff will work with each junior player to improve their understanding of the game of tennis. The junior players will be introduced to stroke production and the games of singles and doubles in a non-competitive fun atmosphere. Add the "new player friendly" Premier courts and each student will finish the camp having improved their tennis game. Racquets are available to borrow.

The Ocean City Tennis Center boasts a full agenda of tennis activities. The Tennis Center, owned and operated by the Town of Ocean City, has six (6) "New" Premier tennis courts, and 3 Lee fast dry clay courts with a professional staff on duty from May 15- August 15,2007.

Located on 61st Street and the Bay, the courts are available on a first-come, first-served basis through early spring, and reservation opportunities are available beginning May 15 and running through August 15. Enjoy your tennis outing with other amenities offered at Ocean City's Tennis Center: on-site free parking, restrooms, tennis lounge, and pro shop. Activities include player matchmaking, clinics, leagues, team tennis, junior tennis camps, private and group instruction, and special events.

The Ocean City Tennis Center has been approved as one of only 3,000 USTA Tennis Welcome Centers throughout the United States. This year the tennis center will host 4 USTA tournaments including the Easter Shore Men's & Women's Outdoor Tennis Championship June 8-10 and the Ocean City Junior Open August 10-12.

Non-Residents: \$164.00 (\$20 Deposit enrolls participant in camp, with the balance due the first day of camp).

New to our camp line up, we are proud to offer a new line of science camps directed by Scienstational Workshops For Kids Inc. In their 30th year of operation, we are sure they will please all who participate. Build a car to demonstrate force, revolving robot and even a speedboat. Kids learn about gears, speed transformations, electricity, buoyancy and other interesting science ideas. We can test out all of our projects we make and take them home- yes, even the speedboat in our mini pool. The 43 interlocking parts build 22 land and water projects. The motorized building system will fascinate kids with hands on science concepts they will use and observe. How can you make your boat go faster? How can your car go up a steep hill? What can you make your robot do? All is yours to take home, instead of just reading about energy forces, they will handle interlocking parts, create motors and see how energy changes with the help of visible gears and wheels. How many projects can you build? We will use your imagination, think and have lots of fun! Registration is limited, so sign up today!!!!

Grab your boards and get ready to CARVE! The Ocean Bowl Skate Camp returns to Ocean City's famous Ocean Bowl Skate Park this summer. This camp is for skaters of all ability levels, so whether you're just beginning or simply wanting to hone your skills, the Ocean Bowl is the place to be. Ollies, kick-flips, turns, stops, carving the bowl, flatland 360s and grinding on a rail are just some of the skills scheduled for introduction, and those with advanced abilities will have an opportunity to learn new challenging tricks and work on the vertical half-pipe.

The Ocean Bowl Skate Park, a 17,000 square foot concrete based park, takes advantage of every inch of usable space with transitions allowing flow from one end of this "carveable" park to the other. A pool bowl boasting a top lining of tile with a deep and shallow end, a large vert ramp and a mini ramp, along with the 13,000 square foot innovative open concrete street course with hit walls, hips and small bowl, provides challenges for skaters of all abilities.

Camp participants must wear helmets, kneepads and elbow pads while participating. An additional liability waiver form must be signed by the camper's legal guardian prior to participation in the Skate Camp. This form may be downloaded from our web site at www.oceanbowl.com.
